Students will be evaluated at the beginning and end of each session and when necessary can be moved to the appropriate level for their skills. Class times are available on a first come first serve basis so sign up before the time you want fills up.

Make-Up Classes: If a child must miss a class, they may be able to schedule a make-up lesson during the same session, only if there are openings in other class times of the same ability level. It is necessary to sign-up for the make-up lesson, either in person or over the phone, with the service desk. Make up lessons are not offered during the first week of a session. If all lessons time are full, it may not always be possible to schedule a make-up lesson, therefore; we ask that you attend your scheduled lesson whenever possible.

Swim Team Training:

Swim Team Training with Coach Ryan Taylor:

Ages 7 and above, at least level 4: 60 Minutes

Every parent with a child in sports knows that it can be challenging to get real, one-on-one attention from a coach – especially when there's dozens of other kids on the team.

When your child is ready to take swimming more seriously, with a focus on competition, one-size-fits-all coaching isn't going to make the cut. I work with swimmers in small groups on everything from their strokes and turns to meet preparation, mental toughness, and race strategy depending on their level.
